Message from the Pastor ~ Sunday Fellowship

Summer is officially here. In June we had a lot of rain, but it seemed like we had it all at once in two weeks. We have a tendency to complain about overcast skies and rain when we have so many days in a row and I know I feel that I need some solar. When it is grey outside I have no reason to put off cleaning the house and Mark cannot wash and seal the deck. To be honest with ourselves, humanity has a lot to do with the severity of our storms and the unbearable heat. It is more than a 100 year event. We may not experience this severe weather in our area now, but watch the forecast in the United States.

We were frogged! It's like a kettle of lukewarm water with a frog in the water. Slowly overtime you turn up the heat. The frog doesn't respond to the water getting hotter. The frog will eventually die because it didn't know it was too hot to survive. If the water was already boiling, the frog would have jumped out of the kettle so it wouldn't die.

Do you remember when we girls use to dress up for Easter? In our family we had new socks and patten dress shoes and a bonnet and to top it off we wore white gloves. Do we remember Halloween? We could show off our costumes to the houses we visited. Slowly but surely we had to wear a coat because it was too chilly even for Easter.

We should not complain about what God gives us every day. This is why we proclaim; "This is the day that the LORD has made, let us rejoice and be glad in it." Psalm 118:24. Each day is a gift from God and he fills it with his love and mercy.

Hear parts of the first and last verse and you will understand the message of the Sovereign God. This Is My Father's World. This is my Father's world, and to my listening ears, all nature sings, and round me rings, the music of the spheres.... This is my Father's world; Oh let me not forget that though the wrong seems so strong, God is the ruler yet. This is my Father's world, why should my heart be sad? The Lord is King, let the heavens ring; God reigns, let the earth be glad. Lutheran Book of Worship, page 554.

Whether you're on vacation, camping or whatever your family plans may be, don't take a vacation from God.

Blessings, Pastors Marcia and Mark ☩

150th Anniversary Information

Ascension's 150th Anniversary

Planning is well underway for our year-long 150th anniversary celebration in 2024!!

Throughout the year we will have information in the newsletter about our history and also old articles on our bulletins boards. We also want to highlight the many benevolences we support by featuring them during the worship service on a monthly basis. We plan on having the youth and any adult members sing for shut-ins sometime in the Spring of the year so watch the announcements for that. In October during the Polka service we want to hold a reunion Sunday and invite all past and present members to attend. Since our church was officially organized on November 26, 1874 we plan to hold a special worship service on November 3rd and invite back all our past pastors. There will also be a dinner after the service with historical pictures to view. We also plan to have a memento of our 150th anniversary available for purchase. This is just an overview of the plans with more details to follow as we get closer to 2024.

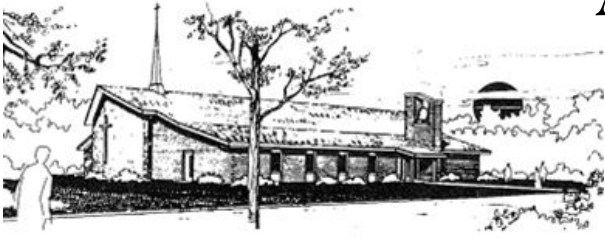

150th Anniversary

The 150th Anniversary committee has planned a Remembrance Sunday for September 15th. All past and present members are invited to attend the worship service at 9:30 am. In addition to a special worship service there will be a potluck fellowship afterward including recipes from past members. Part of this celebration will include past memories from our current and past members. Below is form you can complete with your special memories at Ascension. Please complete as many as you would like and forward to the church prior to September 15th. Memories cards will also be available at the church.

Memories

Ascension Lutheran Church of Navarino is celebrating 150 years - 1874 to 2024

In December of 1869, Martinus and Bertha Anderson prepared their log home in Shawano County for Reverend Homme to conduct a worship service. There was a small group of Norwegian settlers in the area, and they were hungry for the word of God. This was the spark of hope for a Lutheran Church taking root in the community. On November 26th of 1874, those hopes and dreams came to fruition and the

Scandinavian Evangelical Lutheran Church of Navarino was officially organized. The first church building was completed in 1883. The church changed its name to Ascension Lutheran Church on June 26, 1960, and the current church was built in 1977 which is located at W6106 Navarino Road, Shiocton.

The Ascension Lutheran Church of Navarino began celebrating their sesquicentennial, 150

years, in January with a Lefse making event. The celebrations have continued. The church bulletin boards have been displaying a timeline of the church history as well as spotlighting the benevolent giving. There have also been special guests providing messages and information on how the support of the congregation has impacted their mission work.

Ascension Lutheran Church will be having a

Remembrance Sunday Service on September 15th at 9:30 a.m. with a fellowship time following the worship service. There will be a potluck featuring recipes from past members, Norwegian costumes on display and old photographs and videos available. On October 13th, at 9:30 a.m., there will be a Polka Sunday Service with fellowship to follow. Please join us in celebrating our 150 years!

'Way Back When by Mabel Prestrud

Some folks may remember the "Imaginary Diary of Karen Kirkedatter" that used to be included with the regular *'Way Back When*. Here are a few date entries to reminisce about.

June 5, 1947

Today we witnessed the wedding of Miss Esher Amundson and Rev. G.O. Halverson. The church was packed for the ceremony. The women of our congregation served at the reception following. Esther is the granddaughter of Lars Amundson, one of our charter members, who was mentioned often in the early history of this congregation. We certainly welcome a pastor's wife to the parsonage. Pastor Halverson does much to inspire the choir with good music. He even did a good job of directing the choir on *Gesu Bambino* with a blank piece of paper in his hand! We are now called the "Evangelical Lutheran Church" (ELC) with the name Norwegian omitted. Guess we should all be Americans by now.

April 25, 1948

Rev. Halverson preached his farewell sermon today. He, Esther and baby Luzanne are moving to Eau Claire. What will happen to us now?

October 3, 1948

Rev. E.A. Henderson was installed today by Rev. Axel Blom. Pastor Henderson preached a sermon on "Only a Witness" based on John 1:19-23. Rev. and Mrs. Henderson moved into the parsonage recently and are already hard at work, getting acquainted and making the wheels of the parish turn. He has an interesting printing press in the basement, and turns out some beautiful work.

March 6, 1949

Pastor Henderson dedicated our New Wurlitzer Electric 2 Manual Organ today. It will add much to the beauty of our worship service. Minnie Christianson is our organist and is well deserving of a new instrument. I'm sure she is glad to be finished with the old "push pedal" organ! Rev. Blom talked in the evening on "God Loves Music". The organ cost \$2,431.98 and was purchased from the Meyer-Seeger Music Co. in Appleton.

May 15, 1949

Our women were busy again today. They served a banquet for the Green Bay Circuit Brotherhood convention. Melvin Prestrud is the local president.

December 7, 1949

It's 80 years ago today that a small group of people met at Martinius Anderson's home for the first Norwegian Lutheran Service. What changes we have witnessed since then! Pastor Henderson had some booklets made and we had a small observance today, with plans being made for something bigger next year, probably during the better weather months. We are especially mindful today that our King Eternal has been leading us on from generation to generation and using us to spread His Word that all generations may worship Him.
