## JANUARY NEWSLETTER

We hope you had a very blessed Christmas and a Happy New Year! Christmas is the holy season for the Christian Church as the promised Messiah was born and met us face to face. The baby boy grew up to be a man; the Son of God/Son of Man. He saves us from our sin. This is why we take time to worship him for we are a frail and fallen humanity which we cannot save ourselves.

Christmas is the one day that we set aside to remember the birth of the King over all things. Christmas is a day to remember that the Sovereign kept his promise of sending the Messiah to save his people. His steadfast love and faithfulness is enduring and this is his abundant grace for us.

Now, we enter the New Year of 2024. How time flies; it certainly did for me. This New Year brings anticipation of good things to occur.

The church with God's grace must continue the work that Jesus commanded us to do. We enter a New Year and those who come to believe in Jesus as Savior become a New creation. No matter what your station in life is, there is a time when God says; "Be still and know that I am God." We live in a fast moving society. We are busy with our jobs and the New Year wanes away becoming just another year.

On New Year's Eve we watch the crystal ball count down to the seconds until midnight, if you stay up that late. Besides, we watch an hour after this occurs. Who likes a rerun? Imagine living in the West on Pacific Time.

This is about family time and friends; entertaining your company with snacks and eggnog or your beverage of choice. Watching football, making New Years resolutions, of which I cannot keep.

Whatever you enjoy, make a festive holiday of it. How grateful to see a loved one you do not see often. Enjoy, "for this is the day that the LORD has made, let us rejoice and be glad in it!"

Blessings, Pastors Marcia and Mark ☩

### Meet Our New Parish Administrator

Hi everyone! My name is Denise Klemp (Schuelke) aka "DeeDee". If you worship regularly on Sunday mornings, you have seen me singing and/or playing the piano in front of the church with the Praise Team. I have been making music all my life and am in my 25th year as the Music Teacher at St. Edward Catholic School in Mackville.

I grew up in Navarino and was baptized and confirmed at Ascension. I am married to Doug and we have 3 adult children. We live in Black Creek with our adult son and 2 cats who think they own our house. As a family we worshiped at Emmanuel in Seymour then at First English in Appleton. A few years ago I returned to Ascension although I feel I never really left. I'm happy to be back!

I ask that you please be patient with me as I learn all the aspects of this job. Thank you!

## *Ascension's 150th Anniversary*

Planning is well underway for our year-long 150<sup>th</sup> anniversary celebration in 2024!!

**We will kick off the New Year with a traditional Norwegian activity of making lefse. We will be taking preorders only so an order sheet will be out sometime in November. We also have a sign-up sheet so people can help us make lefse in January.**

Throughout the year we will have information in the newsletter about our history and also old articles on our bulletins boards. We also want to highlight the many benevolences we support by featuring them during the worship service on a monthly basis. We plan on having the youth and any adult members sing for shut-ins sometime in the Spring of the year so watch the announcements for that. In October during the Polka service we want to hold a reunion Sunday and invite all past and present members to attend. Since our church was officially organized on November 26, 1874 we plan to hold a special worship service on November 3<sup>rd</sup> and invite back all our past pastors. There will also be a dinner after the service with historical pictures to view. We also plan to have a memento of our 150th anniversary available for purchase. This is just an overview of the plans with more details to follow as we get closer to 2024.

### **1874 Ascension Anniversary Calendar of Events 2024**

**January 20** – Lefse making and sale. There is a sign-up sheet if you wish to learn how to make lefse and help.

**February** – A memento will be available for purchase.

**April** – Sing to the shut-ins. All are welcome to join—young and old alike! More info will be available when we are closer to the date.

**September**—We will have a Remembrance Sunday where we will show videos of past years after the worship service.

**October** – We will have a Polka service and a reunion Sunday. We will invite past & present members with a fellowship following the worship service.

**November** – November 26, 1874 our church was officially organized. We will have a special worship service on November 3, 2024. We are inviting past pastors to join us. A chicken dinner will be served after the service to celebrate 150 years.

Other projects that will be happening during the year:

We have asked all the Benevolences we support through-out the year to come and tell us how our financial support benefits them.

In the visitor we be putting some in some “Way Back When” articles every month.

The bulletin boards will be changed every month with different pictures and articles from the past.

We are checking into putting articles in the local papers.

Watch “The Visitor” for further updates.

## Jesus is Praying for Us — We are Praying with Him

Dear Friends at Ascension Lutheran Church,

In a world increasingly turning chaotic we take comfort in Jesus' Words, "These things I have spoken to you, so that in Me you may have peace. In the world you have tribulation, but take courage; I have overcome the world." (John 16:33) After Jesus says these Words, He makes known the most comforting thing of all — He is the One sustaining us with His prayers to the Father (see Jesus' prayer in John 17). No matter what's going on down here on earth, we have an Intercessor crying out for us before the Father. And He will never stop!

For 24 years, 24 hours a day, 7 days a week, we have agreed with Jesus crying out for the people He loves. In May, along with other ministries, we called several million people all over the earth to cry out for Israel. With the current war in Israel, we see the impact of that prayer initiative. We cry out for revival in our nation especially for our young people, for the ending of abortion, and for the fatherless. We bring comfort and encouragement to believers in the middle of the night when they can't sleep through our 24/7 web stream. Jesus desires agreement and over 300 mostly young adults have answered the call agreeing with Jesus' prayers before His Father.

Like never before, Theresa and I need the body of Christ to come around us. We have been laboring for over 20 years in prayer ministry and we do not intend to stop. As long as Jesus is praying, we want to pray. By His grace, we are taking our stand giving courage to the young adults around us. We are shepherding, pastoring, and leading them.

Would you partner with us? Great trouble is coming to the nations of the earth and there has never been a greater need for 24/7 prayer. Do you believe in this with us? Do you believe night and day agreement with Jesus is something that should continue? If so, would you strengthen us in this critical hour by giving a generous financial gift? Let's join Jesus' cry to His Father saying, "We are ready. The Spirit and the bride say come quickly!"

Laboring in Prayer with Jesus,

## Way Back When

by David Prestrud

### Mabel Irene (Christianson) Prestrud

Since 1972 my mother has been writing Way Back When and, as you know, this December's issue was her last. I thought it would be appropriate if the first column of I Remember When... were about her. Her interest in history and fantastic memory have given me, and hopefully many of you, an understanding of the people and times that shaped Ascension and the Navarino community. Thanks to her I have volumes of stories and genealogy which has made it possible for me to write this brief biography.

Mabel was born on June 20, 1919 on the then Christianson farm in Navarino (where the Lew Erb farm is now) to Otto and Ellen (Peterson) Christianson. Otto was the son of Halvor and Ingeborg Christianson, both Norwegian immigrants. Ellen was the daughter of Julius and Anne Maria Peterson. Julius' father, Peder Larsen was a charter member of Ascension. It is the Peder Larsen family, of which there were eight children, through which many in Navarino can trace their roots.

As a young woman Mabel had several jobs including working for Lutsey's Jersey Dairy in Green Bay, at Montgomery Ward in Shawano, and as a clerk at the Shawano Library, a job that she loved and still talks about. Then came World War II and everyone was pressed into defense work. Mabel attended vocational school in Green Bay learning blue print reading and welding. She then worked at the Peterson Ship Builders in Sturgeon Bay as a welder! (She may not appreciate me mentioning this, but it is something I always thought was fascinating!) Luckily she was able to find a better job shortly in the accounting department at FWD in Clintonville, a job she held for 15 years.

At about this time (1950) she was asked to become the Organist at Ascension, a position she held for 32 years. (She had also been

Ascension's organist for several years prior to this.) She played for nearly every wedding, funeral, and service during those years, which helps explain her detailed knowledge of the Ascension community.

On April 23, 1955 she married Melvin Prestrud, with Olga and Charlie Pues as attendants, and settled on the Prestrud farm (now Ken and Brenda Schultz's). David was born on December 11, 1957 (do the math!). Melvin's father and Mabel's mother and father lived with them on the farm until their deaths.

Mabel was an active member of the ALCW and served for many years as Secretary of Education on the Conference Board and eventually the District Board. This gave her the opportunity to travel to a number of national ALCW conventions at various cities around the country including San Antonio and San Francisco. She was so taken with San Francisco that many years later she surprised Melvin by taking him there after a trip to Colorado for a family reunion. He thought they were flying back to Green Bay and didn't know their destination until they landed!

In 1988 Melvin and Mabel sold their farm and moved to Shawano where they lived in apartment for a year where they quickly discovered that two country kids weren't cut out for apartment life. They bought a small house on the south side of town where they were very comfortable. Mabel is still there. Melvin passed away on August 6, 1996.

Mabel continues to play for services at the Lunds church twice a year, has interpreted old Norwegian church records for various publications, and works regularly on genealogy. Hopefully she will find the time to contribute to I Remember When... on occasion. I can assure you she has enough material for many more editions.
